*Dear Neighbour,*

We, the McConachie Park Committee, are a sub-committee of the Horse Hill Community League, formed by a group of residents within the McConachie Neighbourhood. We are committed to our community and our children, and we are working hard to raise funds for the development of a public playground for all of our children to enjoy.

Fundraising is a very challenging endeavor, and playgrounds are expensive to build, but we are dedicated and excited to develop a fantastic playground for the children of McConachie and surrounding areas.

As the final playground design is too expensive to fund all at once, we are breaking the development down into two phases. We are extremely close to reaching our phase 1 funding goals, which will allow us to start construction of the amazing playground in the Spring of 2019. To proceed with phase 2, we will need to raise an additional \$200,000.

As a member of our community, we hope that you will be willing to demonstrate your community spirit and leadership by sponsoring a portion of this playground development so that your neighbourhood children can have a fun place to play as soon as possible.

**For your sponsorship, you will receive a tax receipt from the City of Edmonton.**

If you wish to support your neighbourhood children with a donation towards the McConachie playground, please make your cheque payable to: **"City of Edmonton"**

Please also write the following in the memo section of the cheque: **"Donation for McConachie Playground CP/OP# 8105"**. Please contact us via the email account provided below for additional donation details. Thank you for your sponsorship considerations.

For future McConachie Park developments, you can follow us on Facebook at "McConachie Park." If you have any further questions, require any additional information, or wish to volunteer for upcoming fundraising initiatives, please feel free to contact us. Your support is greatly appreciated!

Sincerely,

*The McConachie Park Committee*
